

TOPKLEAN™ ORGANIC

All metals solvent degreaser for neat oils in mechanical industry
Vacuum cleaning process.

GREENWAY

BENEFITS

PERFORMANCE & RELIABILITY	<ul style="list-style-type: none"> • Lipophilic bio based solvent • Restricted distillation range which prevents any risk of pollutant co distillation • No dangerous product after decomposition
COST	<ul style="list-style-type: none"> • Low consumption of product thanks to vacuum process
OTHER APPLICATION	<ul style="list-style-type: none"> • The product is recommended in parallel of hydrocarbons or oxygenated solvents in the same equipments with a comparable efficiency spectrum.

GREENWAY™, a new corporate identity and a real opportunity of « green growth » for our customers.

Created by Inventec our experts measure key parameters of our products and services, we target to improve 33% of those parameters without degrading any other. When this is achieved the products is label **GREENWAY™** and certified by **Bureau Veritas**.

ENVIRONNEMENT	<ul style="list-style-type: none"> • Greenway™ compliant : <ul style="list-style-type: none"> ✓ No Toxic ✓ Skin/eye irritants reduction ✓ Chemical oxygen demand (mgO2/L) reduction ✓ Increase in content of renewable raw materials • No labelling • No vegetal resources for food

SPECIFICATIONS

Characteristics	Units	Methods	Values
Aspect		Visual	Slightly yellow
Density at 20°C	g/cm3	ASTM D4052	0.99

CHARACTERISTICS

Types	Units	Methods	Values
Flash point (PMCC)	°C	ASTM D 93	65

PROCESS PARAMETERS*

PROCESS	vacuum machine for degreasing
---------	-------------------------------

*The parameters will depend on such factors as operating conditions, cleaning time and the nature of contaminants. Before using the product INVENTEC assists you to make trials of compatibility between oils and the solvent.

Please avoid contact with eyes and

Moreover, it is recommended to pay attention to the nature of the seals used in the different parts of the vacuum machine.

PACKAGING TYPE

CAN / DRUM	20Kg and 210Kg
------------	----------------

STORAGE & VALIDITY

Store in closed container, containers can be on soft steel, stainless steel or polyethylene.
Storage life: 18 months.

HSE

Types	Units	Values
Environmental data		
Ozone depletion potential	ODP	0
Global warming potential	GWP	N/A
VOC		YES
